

Plastic Whale – Sky Ocean Rescue – Activity Sheet

Watch the Sky Rescue Plastic Whale Documentary online at <https://news.sky.com/video/documentary-a-plastic-whale-10924827>

Please consider the following questions as you watch the documentary:

- Who was involved (communities/ scientists / politicians/ industry/ photographers/ Media/ Environmental Activists)?

- What happened during the document / what did people do because of it?

- How was it done – is there any evidence of science/ technology/ engineering being used?

- When and where did it happen?

- Where did the plastic come from?
